

P25 TRADE IT IN

Trade in any working land mobile radio from any manufacturer for a new Icom P25 radio. Save up to \$900 per radio! No limit!

First time offered by Icom America!

Time marches on. So do improvements to radios. Icom's P25 radios are no exception – even the submersible F70D/F80D portables. The latest versions include these upgrades:

- MDC 1200 functionality
wide variety of choices to enhance fleet radio operations
- Scan Tag Indicator
Channel included in the scan list? The LCD shows it!
- Nuisance Delete
Delete annoying channels out of the scan list
- SQL Tight
Add a pre-set squelch offset on a per-channel basis
- Mode 2 RSeI A
Current channel becomes priority channel when selecting scan
- 2 Tone Alert Start
Alert sounds near beginning of 2nd tone, reduces voice cover up
- Zone Rearrange
Rearrange zones in the zone operation programming screen
- Improved Emergency
Emergency functions on MDC channels are no longer eclipsed when switching to a non-MDC channel and back
